

CAMPS FOR GIRL SCOUT

BROWNIES

Doodlebugs ^b

Do you know what happens when you mix yellow and blue paint? Have you ever tie-dyed or made your own clay? As a Doodlebug you'll spend the week learning about art and trying your hand at a variety of art media, from weaving to stencils to papier-mache. Of course, there will also be time for other camp activities such as hiking and swimming.

You'll even get to create your own camp song book with the help of your counselors. When you're not making music, splash around in the pool, become a shaving cream bunny, or create some new types of s'mores over the campfire.

Plan a special meal for the whole camp to show off the magic that's under the sea, and leave the water to attend a mermaid slumber party where you'll become a princess for the night.
