

**These sessions are organized by GSCI council staff and held at partnering venues rather than council camp facilities. Fees include all activities and snacks. Girls must bring a sack lunch. Friday Family Lunch and gift bags are not available, but the Trading Post will be available once during the week so that girls may purchase Girl Scout merchandise.**

### Trail Mix **d b j**

Just like trail mix, this week contains a little bit of everything. "Ingredients" include activities from the worlds of science, art, drama, leadership, and more! Two days of afternoon swimming, one day of outdoor fun, and some special guests from the community will help keep things fun and exciting!

### Fun in the Sun **d b j**

Join us for a week in the great outdoors enjoying a mix of all your favorite things! We'll hit the trails for a nature hike, cool off with water games, get messy with creative art projects and science experiments, and make new friends. Best of all, you'll enjoy Girl Scout camp traditions, such as outdoor cooking and your favorite songs.

### Critters, Clues, and You! **d b j**

Wildlife and the great outdoors await you this week! Discover the trails at camp and the signs animals leave behind. Meet both wild and domestic animals and learn where they live and what they eat. Connect with your fellow Girl Scouts while searching for clues on the trails during scavenger hunts and orienteering. Make a different art project each day to celebrate your creativity!
