Sail Away ^{j c}

Join other mariners and spend the week sailing the sparkling waters of Lake Bloomington. Develop your knot-tying skills to keep your sails and boat in ship-shape and practice boat rescues and tip tests that are sure to leave you soaked. With the lines in your hands and your friends at your side, let the winds fill the sails of your boat and carry you across the water. When you're ready to dry off head to the lodge for a sailor slumber party, make sailboat snacks and crafts, and even watch a sailor inspired movie!

Get the best of both worlds when you work on archery skills during morning target practice, and in the afternoon try out all the boats in the boat house. At the end of the week we'll pack a sack lunch and head off in canoes to Pine Ridge, where we'll enjoy an archery competition.

Finally, head out for a night of camping in Pine Ridge after a day of archery. When you aren't packing for your next move or setting up your tent, you'll have plenty of time to go swimming, zip down the water slide, learn some new outdoor cooking skills, and play goofy games with your counselors and friends.
