

Located on Lake Springfield, Camp Widjiwagan is comprised of 67 wooded acres perfect for a nature outing close to the city of Springfield.

Three year-round lodges sit on the property, all featuring kitchens, fireplaces, and restrooms. The lodges can be used as gathering space for picnics and activities or overnight events.

Brand new to this camp in 2011, a double-decker high ropes course with elements at 20' and 40', a 40' climbing tower, and a low elements course can provide high adventure and team-building for your group. Also, explore Lake Springfield in a canoe or hike along the beginner hiking trails. These activities are dependent on trained staff and/or volunteer availability.

Camp Widjiwagan also includes rustic accommodations for the adventurous at heart. Conestoga wagons are available for rent as well as three units of screened platform tents.

Look what you can do today!

lodge

For picnics, large meetings, or activities, Lodge is a nice gathering point. The facility can accommodate 75 people seated at tables. This historic lodge has open wood beams, wood floors, and a large fireplace. Groups can cook in the kitchen or outdoors or have a meal catered in. A large screened porch can provide additional seating during the warm months. Lodge can accommodate 40 overnight campers. Overnight campers sleep on mattresses on the floor, or groups are encouraged to bring air mattresses.

Capacity: 75 day; 40 overnight

buccaneer

This uniquely designed lodge is ideal for a breakout meeting space or small group activities for groups of 10 to 24 people. Its interior has a cathedral ceiling, wood floors and walls, and a large deck. Buccaneer is equipped with restrooms, a kitchen, tables and chairs, and a fireplace. Limited outdoor cooking equipment such as roasting forks and pie irons may be requested. Overnight campers sleep on mattresses on the floor, or groups are encouraged to bring air mattresses.

Capacity: 24 day and overnight

dad's house

Dad's House was built in 1941 by a group of Girl Scout dads. This house has air conditioning, wood floors, a fireplace, kitchen, bathroom, and shower. There is a small deck outside the kitchen for outdoor seating. Dad's House accommodates 25 sleepers on mattresses and has a separate sleeping room.

Capacity: 25 day and overnight
