Boy & Girl Scout Vehicle License Plates

Illinois Residents! Let's get Girl Scouts License Plates!

Show your Girl Scouts pride wherever you go when displaying specialty license plates honoring the Girl Scouts! But first, 850 residents have to request that Girl Scouts plates be made! That's easy to do – just complete the following form and FAX it to the state. No money is needed – once enough requests have been made, you'll receive notification and official ordering and payment instructions. So far, about 100 requests have been sent, so pass this along to friends, family and sister Girl Scouts.

_____ **I support the creation of a Girl Scouts License Plate.**
