

PLACES TO GATHER YOUR GROUP, TEAM OR FAMILY

Girl Scouts of Central Illinois offers many unique sites available for rental by community groups, corporate outings or private family gatherings. Some facilities include team challenge courses, large meeting spaces with commercial kitchens ideal for a large meeting or program in a natural setting.

Camp Peairs, Lake Bloomington

Camp Peairs consists of 88 wooded acres situated on Lake Bloomington. The site is ideal for day meetings, group camping, and cookouts. Groups can choose to rent the lodge for meeting space and kitchen or sleep in the winterized lodge. When it's warm, cabins and platform tents are open. The site has central flush toilets and showers. Other program opportunities include nature exploration, canoeing and kayaking. Waterfront activities, including swimming and boating, require properly trained individuals according to Girl Scout safety standards. Camp Peairs is proud to be accredited by the American Camp Association.

Camp Kiwanis, Mahomet

Come discover this 55 acre wooded site that sits adjacent to the forest preserve district and Lake of the Woods Park. It is perfect for meetings or overnight stays in three winterized lodges that include fireplaces and kitchen facilities. For those interested in a challenge, platform tents are available with a fire ring for outdoor cooking and nearby hiking trails. Security lighting is found throughout the site. The Sangamon River borders this property. Aquatic activities require properly trained individuals according to Girl Scout safety standards. Camp Kiwanis is proud to be accredited by the American Camp Association.

Camp Widjiwagan, Lake Springfield

Conveniently located on Lake Springfield, Widji is a 67 acre wooded haven used for team-building activities, meetings, and group camping. Groups can enjoy a variety of accommodations from three heated lodges with electricity, kitchens and fireplaces to Conestoga wagons and platform tents. Bathroom facilities are located inside the lodges and within centrally located showerhouses. Security lighting is found throughout the site. A brand new high and low ropes course and climbing wall will be introduced Fall 2010. Contact us for more information. Challenge course, aquatic activities, including a swimming pool and a waterfront for boating, require properly trained individuals according to Girl Scout safety standards. Camp Widjiwagan is proud to be accredited by the American Camp Association. This site has an on-site camp ranger.

Camp Tapawingo, Metamora

NOTE: Facilities not available until Fall 2011

Explore the forested rolling hills of this 640 acre camp. This site is ideal for large gatherings/banquets, group camping, and outdoor picnics. Camp Tapawingo caters to the progressive outdoor experience. The cornerstone of this property is Mary Morgan Lodge, a 12,000 square foot, air conditioned, multi-level dining hall. A number of group cabins are available for camping that include electricity, bathroom and kitchen facilities, hot water and electric heat. To the experienced camper, platform tents are available as well as backpacking sites. Bathrooms are available inside all cabins and shower facilities are centrally located at the showerhouse from mid-March to mid-October. A swimming pool, high and low ropes course and archery range are activities may be available throughout the year through arranged reservations. Security lighting is found throughout the property. Camp Tapawingo is proud to be accredited by the American Camp Association. This site has an on-site camp ranger.

Non-Girl Scout groups must adhere to the policies and procedures as outlined by Girl Scouts of Central Illinois. Policies and procedures can be found on our website at www.girlscouts-gsci.org

A camp contract/user agreement will be provided to the organization once a site is reserved. Full payment is due at time of reservation.
