FUN.

Getaway with your friends and stay at one of Girl Scouts of Central Illinois' properties.

Sleep under the stars in a tent or have a slumber party in a cabin. A variety of experiences awaits you at each camp. Read inside about the differing camps and what they have to offer. We are proud to offer such beautiful natural places for girls to discover.

PLACES TO EXPLORE

Camp Peairs, Lake Bloomington

Camp Peairs consists of 88 wooded acres situated on Lake Bloomington. The site is ideal for troop camping, events and cookouts. Campers can choose to sleep in the winterized lodge where cooking and bathroom facilities are available as well as two sleeping lofts and electricity. When it's warm, cabins and platform tents are open. The site has central flush toilets and showers. Other program opportunities include nature exploration, canoeing and kayaking. Waterfront activities, including swimming and boating, require properly trained individuals according to Girl Scout safety standards. Camp Peairs is proud to be accredited by the American Camp Association.

Camp Kiwanis, Mahomet

Come discover this 55 acre wooded site that sits adjacent to the forest preserve district and Lake of the Woods Park. It is perfect for first time campers as it includes three winterized lodges that include fireplaces, electricity, bathrooms (inside or nearby) and kitchen facilities. For those interested in a challenge, platform tents are available with a fire ring for outdoor cooking and nearby hiking trails. Security lighting is found throughout the site. The Sangamon River borders this property. Aquatic activities require properly trained individuals according to Girl Scout safety standards. Camp Kiwanis is proud to be accredited by the American Camp Association.

Camp Widjiwagan, Lake Springfield

Conveniently located on Lake Springfield, Widji is a 67 acre wooded haven used for troop camping, day camping, council events and trainings. Campers enjoy a variety of accommodations from three heated lodges with electricity, kitchens and fireplaces to Conestoga wagons and platform tents. Bathroom facilities are located inside the lodges and within centrally located showerhouses. Security lighting is found throughout the site. Aquatic activities, including a swimming pool and a waterfront for boating, require properly trained individuals according to Girl Scout safety standards. Camp Widjiwagan is proud to be accredited by the American Camp Association. This site has an on-site camp ranger.

Camp Tapawingo, Metamora

NOTE: Facilities Available Fall 2011

Explore the forested rolling hills of this 640 acre camp. This site is ideal for troop camping, service area events and outdoor picnics. Camp Tapawingo caters to the progressive outdoor experience. The cornerstone of this property is Mary Morgan Lodge, a 12,000 square foot, air conditioned, multi-level dining hall and troop program center. A number of unit houses are available for troop camping that include electricity, bathroom and kitchen facilities, hot water and electric heat. To the experienced camper, platform tents are available as well as backpacking sites. Bathrooms are available inside all unit houses and shower facilities are centrally located at the showerhouse from mid-March to mid-October. A swimming pool, high and low ropes course and archery range are activities that are available throughout the year through council-sponsored events and summer resident camp. Security lighting is found throughout the property. Camp Tapawingo is proud to be accredited by the American Camp Association. This site has an on-site camp ranger.

How To Make Reservations

1. Contact siterental@girlscouts-gsci.org or 877-231-1446 to check availability of dates. Have back-up dates in mind in case your preferred date/location is unavailable.
2. Complete reservation form. Return to your local service center, mail to GSCI, 3020 Baker Drive, Springfield, IL 62703, email to siterental@girlscouts-gsci.org or fax to 217-523-8321 with full payment.
3. Before reservations are finalized, GSCI must receive the following one week prior to reservation date:
 - Reservation Form
 - Full payment
 - Confirmation of required training (First Aid/CPR and Outdoor Training)
3. Reservations are held for only one week without payment
4. Your confirmation packet will include GSCI facility procedures, packing list, directions to camp and cleaning checklist.
5. Groups will be charged for any damage due to negligence or vandalism.

Cancellations

Groups who wish to cancel their reservation must provide notice by the cancellation deadline: **10 days prior to the event for groups renting individual units, or 30 days for groups renting entire camps.** If this deadline has been met, payment may be applied to future reservations within one year or a non-refundable \$25 processing fee will be charged. Excessive cancellations will jeopardize future rental privileges. The council reserves the right to cancel events because of hazardous site conditions. In this case, all fees will be refunded.

Planning Ahead

Girl Scout member reservations will be processed up to six months in advance. To give Girl Scout members priority, non-member groups will be processed four months in advance. Non-Girl Scout group rates can be found on our website at www.girlscouts-gsci.org For service area events, please contact your service center. Summer troop camping can be found in summer event guide.

Paperwork That Must Accompany Groups at all Times When Camping:

- **Roster of participants**, listing their emergency contacts.
- **Certification Card(s)**, for those certified in First Aid/CPR or other required certifications (ie archery, lifeguard, small craft)
- **Copy of your reservation confirmation packet**
- **Parent Permission Slips** for each girl. This slip authorizes a girl to receive medical attention, if necessary.
- **Mutual of Omaha insurance claim form and brochure.** You will need to complete a claim form in the event of an accident. The forms are found at www.girlscouts-gsci.org
